Newsletter Updates from July- August 2015

We send our warm greetings from the entire Tender Foot Fraternity. We hope this newsletter finds you well. We extend our heartfelt gratitude to all our esteemed well wishers through your continued love and support that you have been according us. We have come to the end of term two and wish to send our brief updates.

July - Sewing Project

We are happy to let you know that we have a new project thanks to Rotary Club of Diamond Creek Australia. Through the mentorship of Greg Adams, this new project was born. The project will have a very big impact to the school and the community at large. We shall be making our own uniforms and maybe extend this to the other schools around us. This sewing project will be launched by the Rotary Club of Langata on behalf of The Rotary Club of Diamond Creek Australia and we are most grateful.

The arrival of the machines was witnessed by the jubilant children, teachers and staff of our school. Below are photos taken during the arrival and assembling of the machines.
